

CELEBRATING ON THE SHORES OF PARADISE

As you visit potential reception sites to accommodate your wedding celebration, you will find only a handful that can provide a number of services under one roof. PARADISE SHORES in Lake Holcombe is one of those unique places.

Paradise Shores is an “all-inclusive lake shore wedding facility and retreat,” providing an expansive banquet hall, a 43-room luxury hotel, well-manicured grounds and world-class executive chef.

Nestled along 600 feet of shoreline on beautiful Lake Holcombe, Paradise Shores’ amenities are especially conducive to weddings and special events. From a casual Hawaiian luau to an elegant white-tented affair, Paradise Shores is able to easily accommodate their guest’s requests with fine attention to detail and excellent customer service.

A PRIME LOCATION

The facility is easy to find. Located just 45 miles north-east from Eau Claire, its distance from larger cities gives it a secluded and tranquil appeal. In part, this is due to its prime location on Lake Holcombe, a 4,000-acre flowage in northern Chippewa County with 120 miles of shoreline. It is fed by five rivers, including the Chippewa, Flambeau and Jump Rivers. The lake has a natural appeal, with many miles of undeveloped shorelines.

“Many of our guests frequent our facility to escape the crowds,” said manager Andy Johnson. “Our facility provides the opportunity to mingle with guests in common areas, such as our breakfast nook or restaurant, or spend quiet time along the paved walkways along the shoreline.”

FULL-SERVICE BANQUET SERVICES

As guests stroll into the building, they will find that the tropical décor that is carried throughout the facility creates a casual and carefree ambience. The resort features a family-friendly restaurant with spectacular views of the lake from practically every table. The cocktail lounge is adjacent to the dining room, and is a popular venue for local bands and other entertainment.

The conference and banquet facilities are large enough to hold 300 comfortably. The full-service restaurant onsite features the mastery work of Jon Pierre Peavey, a graduate of the prestigious Culinary Institute of America. Peavey has had the opportunity to work alongside notable culinary icons as Julia Child and Emeril Lagasse, and has participated in many special events such as the President Clinton’s second inauguration dinner.

An experienced chef, Peavey knows how to make guests feel special, which he shows through his creative culinary work and personable contact with guests. To ensure the bride and groom are pleased and comfortable, he sits down with each couple to welcome them to the property and tailor a menu that is appropriate for their event.

“I want guests to feel as though they are working with a friend who truly cares about their day,” said Peavey. “With this, guests often report that we not only met their expectations, we exceeded them.”

NEWLY REMODELED ACCOMODATIONS

Connected to the restaurant and conference center is a 43-room hotel with uniquely decorated rooms carrying out the tropical motif. The facility provides a variety of accommodations, including inn rooms, suites with kitchenettes, a whirlpool honeymoon suite and a cabin. There is also an indoor pool, sauna, hot tub, exercise room and game room.

Room blocks are available for weddings and other gatherings. The hotel also has conference rooms, which are available for gift openings or other group events.

RECREATION AND ACTIVITIES FOR ALL

Situated on the shores of Lake Holcombe, recreational activities abound. The facility boasts an array of four-season activities onsite and nearby, including: beach volleyball, biking, hiking, golfing, swimming, fishing, boating, and snowmobiling, to name a few. The facility also gladly assists in making reservations for pontoon and fishing boat rentals and golf outings at one of two local golf courses.

600 Feet of Shoreline on Beautiful Lake Holcombe

With all of the services and amenities Paradise Shores provides, bridal couples have been pleased with their overall experience: “The professional staff and convenient accommodations made for a wonderful day. We couldn’t have asked for anything better,” said a Ladysmith bride. “We loved having the wedding, reception and hotel all in one spot – and so did our guests!”

With this, it appears that the facility is a bride and groom’s PARADISE on the SHORES of Lake Holcombe.
