

Avalon Hotel & Conference Center

*Before you say "I DO"
let us show you what WE CAN DO!*

The Platinum Package is Avalon's most popular wedding package due to the unique offerings such as the Champagne Red Carpet Welcome and Customized Signature Drink. Bridal couples love to come in for their "Mixology Meeting" and create their own special drink that no one else has offered at their reception.

For the couple looking to have the ultimate reception at a discounted price, Sales Manager Kirsten Bube suggests choosing an off season date in the months of November through April or consider having your event on a Friday or Sunday. This is an ever growing trend for 2011 and 2012 and due to the significant discounts, the dates fill up quickly.

Space and Menus for Every Occasion

Avalon offers several options for all aspects of your wedding. From smaller private rooms that are the perfect fit for bridal showers and gift openings, to the casual Loft Area for rehearsal dinners, or the intimate feel of the Rock Room Dining Area.

Your wedding is a once-in-a-lifetime event, so everything about this day is extra-special to Avalon Hotel and Conference Center. At Avalon your wish is their command. The banquet and catering team led by executive chef Ryan Reemtsma and banquet captains Dane and Sarah provide attention to detail, delicious food, exceptional service, and the added touches to ensure that your special day is filled with treasured memories. It's the day you've dreamed of and Avalon will make sure everything goes according to your wishes.

A Touch of Elegance

Avalon Hotel and Conference Center offers comprehensive packages for every price range. Bridal couples can choose from their Silver and Platinum Ballroom Packages or the budget friendly non-traditional package in Bridgewater Restaurant. With the newly remodeled ballroom space, elegant chandeliers, private bar, butler style service staff, complimentary parking and seating for up to 400 people Avalon Hotel and Conference Center has all the amenities you need for your perfect day.

At Avalon, creativity and flexibility is key to planning the menu for your wedding. They pride themselves on thinking outside the box and bringing new ideas to the Chippewa Valley area. "Our brides love the varied selection of over 13 theme buffets

to choose from for their bridal shower and rehearsal dinner. Some of our theme buffets include: Western Round-up, The Tailgater, Paul Bunyan, Pure Country, Mexican Fiesta and the always popular All You Can Eat Pizza Bar," says Kirsten.

With the growing popularity trend of "late night snacks" and "action stations" Avalon's banquet menu was recently

upgraded to reflect what their bridal couples were requesting. Therefore, after a long night of socializing, you and your guests can

partake in treats such as The Coney Island, Philadelphia, Chinese Take Out or the Gourmet French Fry Selections.

“The bridal couples from our Friday night receptions were requesting more appetizer based parties instead of full dinners due to the later start they had planned for their reception,” states Kirsten. Avalon grew this idea into extensive choices included in their four amazing Action Stations: Chef Attendant Pasta, Asian, Self Serve Mashed Potini, and Martini Mac N Cheese. Avalon will begin offering their indoor S’more Station later this year. According to Kirsten, “the interactive areas really lend to the party atmosphere during the reception.” At Avalon, no request is denied as long as they can make it happen.

A Local Touch

When Chippewa Valley couples choose Avalon Hotel and Conference Center they are truly “buying local”. Avalon is owned by Rick and Heather Hunt. They pride themselves on serving the community through various charities and give back regularly to local organizations. Chippewa Falls is the heart of the Chippewa Valley region and is easily accessible from Eau Claire, Menomonie, Rice Lake and Wausau. With 67 hotel rooms featuring in room refrigerators, microwaves, complimentary wireless internet and parking right at your door your friends and family can gather from across the country and feel at home. The hometown atmosphere of Bridgewater Lounge featuring all Leinenkugel beers on tap, Famous Friday Fish Fry and Sunday brunch make for the perfect Northwoods Experience you expect. They extend Group rates for those couples who choose to have their receptions in the beautiful parks and historic venues as well.
